

2016 SPONSORSHIP OPPORTUNITIES

Benefiting the Greater Chicago Food Depository

August 10 – September 6, 2016

JOIN THE MOVEMENT

Canstruction® Chicago Sponsorship Opportunities

Canstruction® Chicago, benefiting the Greater Chicago Food Depository, respectfully seeks a sponsorship commitment for the 10th Annual event taking place August 10 – September 6, 2016.

Canstruction® is a unique charity which hosts competitions, exhibitions and events showcasing colossal structures made entirely out of full cans of food. After the structures are built, the creations go on display to the public as a giant art exhibition. At the end of the event, all food is donated to local hunger relief organizations. 2016 marks the 10th year of creating art to benefit those in need of food assistance in the Chicago community.

Every can used to create the one-of-a-kind structures will be donated to the Greater Chicago Food Depository to provide food to those struggling with hunger in Cook County.

As the event takes place in August and September, it will serve as a cornerstone of the Greater Chicago Food Depository's engagement leading up to Hunger Action Month, which is highlighted by a night of celebration at the ChicagoCAN Awards Reception on Tuesday, August 30, 2016 at the Merchandise Mart.

In 2015, the canned goods used to create the 21 artistic masterpieces representing Canstruction® Chicago were ultimately donated to the Greater Chicago Food Depository to feed hungry people throughout Cook County. The 2015 event resulted in nearly 107,000 pounds of canned food, the equivalent of over 110,000 meals.

The artists sculpting these works are Chicago's leading architects, engineers and construction professionals giving their time and industry expertise to aid in this critical cause.

This event also serves to educate Chicagoans on the mission of the Food Depository – “providing food for hungry people while striving to end hunger in our community.” For nearly four weeks, the one-of-a-kind, can-sculpted works of art will be on display in the lobby of the Merchandise Mart and will attract an audience of more than one million during the exhibit.
